To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for David Hiestand. David has been helping us at the United Auburn Indian School's After School Program teaching music. Mr. Hiestand has been an integral part in renewing the After School Program to the point that two thirds of the students attend on a daily basis. Part of the excitement for the After School Program is due to David passing on his passion for music to our students.

Mr. Hiestand is instructing around ten students a week in piano, guitar, drums, and vocals. David is always well prepared and dedicated to providing his students the best opportunity to be successful in music. He has a belief that all of us possess the ability to be musical and he brings that out in our students.

It is due to Mr. Hiestand's dedication and commitment to our students that I can recommend him for your institution. He is a great you man with impeccable character, and I feel privileged to have him working with our students. If you need to speak to me further please feel free to give me a call at 530-328-1117. Thank you for your time and consideration of David Hiestand.

Sincerely,

A handwritten signature in blue ink, appearing to read "Duane M. Triplett", with a stylized flourish at the end.
